

FOR IMMEDIATE RELEASE:

Apex Scores “EXCELLENT” Security Rating

Roswell, GA. (November 11, 2019) – Apex HCM is pleased to announce it has received an Excellent security assessment rating by GlobalLogic. In August 2019 Apex HCM underwent a thorough independent third-party assessment evaluating Apex HCM security procedures, architecture, practices and safeguards. This third-party assessment was performed by GlobalLogic. Apex HCM received an “Excellent” rating by GlobalLogic for its security practices. The following areas were evaluated by GlobalLogic during their August 2019 assessment:

- **Malware Injection**
- **Architecture Authentication**
- **Sensitive Data Exposure**
- **XML External Entities (XXE)**
- **Evaluate Access Control**
- **Cross-Site Scripting (XSS)**
- **Verification of Components with Known Vulnerabilities**
- **Logging & Monitoring**

Robert Digby, CEO, Apex HCM, commented, “Security is our mindset as our clients have put trust in our organization to protect and safeguard their client information. We are proud to receive such a positive security assessment rating.” Digby continued, “It is anticipated that most US based businesses will undergo a cyber-attack in the next 5 years, and we want to ensure we are best positioned to safeguard our client information.”
